STAT

This is in further reference to my letter to you of 27 December 1950, regarding the possibility of a change in designator in your case.

We find that the Navy has written to you under date of 1 December 1950, indicating that they could not make such a change, and there is nothing we can add to their reply. I am sorry that we have been unable to do anything further along these lines for you.

Sincerely yours,

Assistant to the Director
